

Seminar Series, Institute of Evolutionary Medicine, HS 2022

Monday, 16:15 - 17:00, on-site at UZH Campus Irchel, and online via Zoom.

Date	Room	Referent / Title
19.09.2022	Y42 G53	Prof. Dr. Kentaro Shimizu (Department of Evolutionary Biology and Environmental Studies, University of Zurich): „ <i>Population genomics to study the spread of crops, their pathogens and languages</i> “. Contact: Prof. Dr. Verena Schünemann, Paleogenetics Group
Fr 30.09.2022, 13:15	Y42 G53	Prof. Dr. Christine Tardieu (Muséum Nationale d’Histoire Naturelle de Paris, France): „ <i>Walking on all fours: Modifications of the locomotor system in quadrupedal humans</i> “. Contact: PD Dr. Martin Häusler, Evolutionary Morphology Group
17.10.2022	Y42 G53	Prof. Dr. Grazyna Jasienska (Department of Environmental Health, Jagiellonian University, Poland): „ <i>Sex hormones, fertility and evolutionary public health</i> “. Contact: Prof. Adrian Jäggi, Human Ecology Group
31.10.2022	Y21 F70	Prof. Dr. Thomas Frauenfelder (Institute for Diagnostic and Interventional Radiology, University Hospital Zurich): „ <i>Lung Cancer Screening: Past, Current, Future</i> “. Contact: Dr. Patrick Eppenberger, Paleopathology and Mummy Studies Group
14.11.2022	Y42 G53	Prof. Dr. Elena Osto (Institute of Clinical Chemistry, University Hospital Zurich): „ <i>Role of gastrointestinal hormones in the metabolic control of endothelial function</i> “. Contact: PD Dr. Nicole Bender, Clinical Evolutionary Medicine Group
21.11.2022	Y10 G03/04	Symposium “Epidemics and inequality, past and present” , keynote by Prof. Dr. Tim Soens (Antwerp Interdisciplinary Platform for Research into Inequality, University of Antwerp, Belgium): „ <i>Who suffered and why? Differential mortality during major outbreaks of epidemic disease in Belgian history</i> “. Contact: PD Dr. Kaspar Staub, Anthropometrics and Historical Epidemiology Group
12.12.2022	Y21 F70	Prof. Dr. Vincent Barras (Institute of Medical and Health History, University of Lausanne): „ <i>History of medicine, medical humanities, and materialities: the experience of objects</i> “. Contact: Prof. Dr. Frank Rühli, Medical Collection and Human Remains Group

All talks are public events and participation is free. Registration is required to obtain the Zoom link for online participation: info@iem.uzh.ch, webpage: www.iem.uzh.ch.
